

TIMETABLE

This is an example of a timetable. It doesn't have to be made electronically, pen, papers and colouring pens / pencils are just as good, if not better for younger children. Not everything has to be covered all the time, it might be that your child can't do any tasks on a Wednesday, please don't worry. The timetable has to fit your lives. Making up the timetable is a task in itself 😊

literacy	numeracy	health and wellbeing	science and technology	expressive arts	own choice of play or relax

No timings have been put on as different children take different amounts of time. Families may wish to add their own things.
